Orange Couch Series!

The Orange Couch Series shines a spotlight on the people who make our credit union truly special, our members and our staff. This summer, we released three new videos sharing their unique stories and celebrating the spirit of our community. You can view the series on our YouTube channel or on Facebook. Have a positive impact story we should highlight? Reach out to Rianne in Marketing, we would love to hear about it!

Welcome Tasha Clark as Teller Manager

Aspire Credit Union is pleased to announce the addition of Tasha Clark as its new Teller Manager, succeeding longtime leader Diane Smith, who will retire at the end of March after 30+ years of dedicated service.

Clark brings more than six years of financial services experience and a strong background in leadership, team development, and member service. In her new role, she will oversee daily teller operations, support staff development, and ensure Aspire members continue to receive the exceptional service they expect.

During her initial training period, Kelsey Scharmer will serve as Interim Teller Manager, providing leadership support while Clark completes the onboarding and training process.

“Tasha brings a strong mix of operational knowledge, leadership, and passion for member service,” said Brianna Weeks, Operations Manager. “Her experience supervising teams, managing daily operations, and building strong member relationships will be a tremendous asset to our organization and the members we serve.”

Throughout her career in financial services, Clark has developed in-depth knowledge in branch operations, compliance, and team leadership. Her responsibilities have included supervising and mentoring staff, monitoring teller transactions, daily operations, and resolving complex member inquiries.

In addition to her operational expertise, Clark is passionate about delivering excellent member experiences. She focuses on building strong relationships with members, recommending financial solutions tailored to their needs, and fostering a positive and collaborative team environment. A lifelong resident of Minot, Clark says joining Aspire Credit Union feels like a natural fit.

“I look forward to becoming a part of the Aspire Credit Union team and forming new relationships with coworkers and members,” Clark said. “I’ve heard Aspire is a great place to work and I admire how active the credit union is in the community.”

Aspire Credit Union is excited to welcome Clark to the team and looks forward to the leadership and dedication she will bring to members and staff alike.

Aspire to More in Action Supporting Make A Wish North Dakota

This Giving Hearts season, our team truly lived out what it meant to Aspire to more. Through our employee funded Aspire to More program, team members contribute a small amount from each paycheck to support causes that make a difference in our community. Thanks to their generosity and member donations, we were proud to send a meaningful donation to Make-A-Wish North Dakota.

For employee volunteer Beth, this mission was personal. She had been volunteering with Make A Wish for five years. After seeing her husband's brother receive a wish during his cancer journey, she witnessed firsthand how much hope and joy it brought. That experience continued to inspire her commitment to serving wish kids and their families.

Because of the collective effort of our team, and member gifts, we sent our donation out the door knowing it would help create powerful moments of hope for children who needed it most.

Aspire is “Always There”

Community is at the heart of everything we do. We believe in showing up, lending a hand, and supporting the organizations that help make our region stronger for everyone. We are incredibly honored that the Aspire Credit Union team was recognized with the “Always There” Award from Souris Valley United Way during their Annual Donor Luncheon. During the presentation they shared that Aspire is always there to answer the need and has been a steady and reliable supporter of the United Way mission.

We could not be more proud of this partnership and are grateful to stand alongside Souris Valley United Way in the important work they do every day.

Annual Meeting

The 2026 Aspire Credit Union Annual Meeting has been scheduled for Wednesday, May 20, 2026, at the credit union in Minot starting at 4:00 p.m. During the meeting, we will share our 2025 Annual Impact Report.

Following the adjournment of the Annual Meeting, there will be a chips and queso snack bar to enjoy.
